FROM THE DIRECTOR'S DESK

Can you believe summer is almost over? I don't know about you, but I am so EXCITED for this school year!! We have spent this summer working on refreshing our classrooms with new supplies and toys, our new toddler playground is underway, and we are planning so many fun things for this fall! The Kid's Morning Out Board of Directors has worked diligently for months to help put this program in motion, and we are thrilled with how everything is coming together! We have hired our teaching staff (and WOW did we get some amazing teachers!!), and are already planning activities for your little ones. Oh! Guess what! We are planning activities for YOU, too. Each month we will have a parent event (totally optional--no pressure here!) for a chance to get together, share, ask questions. ANY questions... "My toddler is biting the dog. Is that normal?" or, "How in the world do you start potty training?" or "My kid won't sleep in their own bed EVER. What do I do?" Any of those ring a bell? You're not alone!! Brainstorm with other parents, share ideas, come together in solidarity. Stay tuned and check our calendar for upcoming events!! I hope you are all looking forward to an AMAZING school year. Put those "first time away from my kiddo" nerves to rest... they're going to do GREAT!!

See you soon!
Laura Pittman
