

2026-2027 School Year *At A Glance...*

Kid's Morning Out is a weekday ministry of Williamsburg United Methodist Church, offered Monday - Friday from 9:30am - 12:30pm during the KMO school year. We serve families with children from 1 to 5 years old by providing a high quality, engaging and safe learning environment for our Kiddos while also providing a support system for caregivers. We focus on learning through play, and fostering the social, emotional, cognitive, physical, and spiritual growth of each child. Each class provides age appropriate structure and learning activities that are hands on and interactive. Kid's Morning Out uses positive classroom management and conscious discipline that begins with mutual respect, and a genuine connection with each child. The small class sizes and low student to teacher ratios allow for individual attention to each Kiddo's specific needs, creating an ideal learning environment for children at every stage of development.

2026-2027 School Year *Registration Day*

Registration will open to currently enrolled families during **Priority Enrollment on Monday, February 9 at 9:30am**. Registration will open to the public for all **new families on Monday, February 16 at 9:30am**. Both registration days will be structured the same way, and will be held at Williamsburg United Methodist Church, located at 500 Jamestown Road.

For NEW children, please complete the online registration form! This can be found on our website, or at <https://tinyurl.com/RegisterKMO>. This can be done at any time before Registration Day. ***Please note that this does not hold a space at KMO, but sets up your account for the in person registration.***

Returning children do NOT need to complete the online registration form.

- **Registration is done on a first-come, first-served basis IN PERSON.** Upon arrival at the main doors to the church lobby, located off of the parking lot behind the church, you will reserve your place in line. Numbers are registered in the order of arrival and is the order in which families will be called to register when registration begins. You will also receive a Registration Form to complete.
- **Registration will begin promptly at 9:30am** in the Fellowship Hall (through the main lobby of the church). We will call numbers in order. *If you are not present when your number is called, we will move to the next number, and you will lose that place in line. You will then need to get a NEW registration number.*
- **When your number is called**, please bring the **registration form** and **your non-refundable registration fee (\$75 per child for RETURNING families during priority registration, or \$100 per child for a NEW family, payable by cash or check)** at this time. When your number is called, one of our volunteers will direct you to your class table. If you are registering multiple children, we will help coordinate that. You will be able to see what spaces are available, and choose which days you'd like!
- **AFTER Registration:** We will process registrations in the order they are received on Registration day! You will receive an e-mail with your Acceptance or Wait List letter, and all of the details of your registration by Friday. As we get closer to the school year (in August), we will set up paperwork appointments with each family... but you won't need to worry about anything else until then!
- **If your scheduling needs change** after registration day, please reach out to us by e-mail. If your needs change and you know that you will no longer be filling the space you registered for, ***please let us know as soon as possible.*** This helps us reach out to our Wait List families in a timely manner, so that they can plan for the school year!
