FROM THE DIRECTOR'S DESK

I hope you have all enjoyed a lovely spring break and this beautiful weather! We are getting back into the swing of routine here at Kid's Morning Out! This is a busy season for us, and we are so excited for all of the things we have happening. Our Easter Party is going to be a blast (and spring portraits by Elizabeth Collado Photography? I can't wait to see my own kiddo's pictures!!), we have new families coming in, LOTS of birthday celebrations, Pizza Night, Summer Camp Fair, and more. It is a jam packed season! We are so thankful to be able to share these events with you!

In March, we learned about the Disciples, the Lord's Prayer, the story of Mary and Martha, and all about being a good Samaritan! In April, we are learning about Communion and the Last Supper, the Resurrection of Jesus, and the fruit of the Spirit. We got to have a great interactive lesson with Pastor Meghan in the Sanctuary to learn about the special meal that Jesus shared with his friends, and how when we have bread and juice we can remember Jesus! This was a great hands-on activity that was so much fun!

We have so much to be thankful for this year, and especially this Spring. We are so excited to see the opening of our Saplings classroom in June, and welcome so many new families to Kid's Morning Out! I am constantly amazed at how we seem to have the very BEST families in the area. We love you and are grateful for the time that we share with you and your children!

See you soon!

I'm Registered!! Now what?

For those that have completed registration, we will be reaching out to set up paperwork appointments. These will be in May (for summer sessions) and August (for fall) this year! They last about 15 minutes, and are child friendly. We will make sure all documentation is on file, that you have a chance to review the parent handbook, and ask any and all questions!

So what do you need to bring?

If you are enrolling a **NEW student**, you will need: Birth Certificate, School Entrance Health Form (including immunization records), and the Child Questionnaire. The School Health Form will need to be completed by your child's doctor.

If you are a **CURRENT student**, you will need: Child Questionnaire **ONLY!**

IF your child requires medication or has an Epi-Pen, you will also need for your child's doctor to complete the Medication Form.

All forms are available on our website!

Please keep an eye on your e-mail for an invitation to schedule your paperwork appointment! If you need a time that is not available, please don't hesitate to reach out--I can add office hours for the times needed!

United Methodist Committee on Relief supplies disaster relief in the US and internationally.

This spring, WUMC hopes to assemble 1,175 hygiene kits. Each kit will have a hand towel, a wash cloth, a comb, nail clippers, a toothbrush, some adhesive bandages, and a bar of soap. Toothpaste is added immediately before the kits are provided to people in disaster areas. The Global Outreach committee would appreciate donations of toothbrushes or soap from Kids Morning Out families. The bar of soap should be 3 ounces or larger and should not be the Ivory or Jergens brands. Please do not remove from packaging. The toothbrushes must be adult-sized and individually packaged. **THANK YOU** for helping to support those in need!

Help us spread the word! We are hiring!! We have seasonal summer positions and regular school year positions available!
