FROM THE DIRECTOR'S DESK

BRR!!! We might all be Popsicles by the time I write another newsletter! :) I hope that you are all staying warm and cozy through these freezing temperatures. Here at KMO, we are using the weather for inspiration! You'll find snow flakes and polar bears around the classrooms, ice cubes (or water, depending on what time you check!) in the science station, and Matching Mitten games. This weather has also made us very thankful for our Gross Motor room that allows for indoor playtime during these cold snaps!

The last few weeks, we listened to the story of Moses, and then we talked about Daniel and the Lion, and how God helps us to be brave. We learned about Martin Luther King Jr., and how God helped him to be brave, too! We are finishing up the month with Jonah and the whale. It has been a jam-packed January! In the coming weeks, we look forward to learning the story of Jesus in the Temple, and then learning all about LOVE from I Corinthians just in time for Valentine's Day!

With all of the talk about love, I have to take the time to tell you just how much we love having your children here. We have seen SO much growth and development from the beginning of the year to now, and we are constantly amazed by these KMO Kiddos! The teachers and I are thankful--so, so thankful--for the opportunity to get to know them. I hope that we will see many of you during our Summer Sessions and next school year!! If you have any questions about what those sessions might look like, please reach out. I would love to chat with you!

Stay warm, friends!
See you soon!
Laura Pittman

UPCOMING EVENTS

Thursday, February 14 11:00am

Valentine's Day Party

Join us for a Valentine's Day party in the Fellowship Hall! Fun and games for all! Families are invited to attend with their KMO Kiddos!

Monday, February 11 9:00am

PRIORITY REGISTRATION

Priority Registration, for currently enrolled and wait-listed families, will open at 9:00am!

This is for Summer Sessions and for the 2019-2020

School Year! Spaces will be given on a first come, first served basis!

Monday, February 18 9:00am

Open Enrollment

Registration will open for all families on a first come, first served basis!

Monday, February 18

CLOSED for
President's Day!

We hope you are LOVING KMO as much as we are LOVING having your kiddo here!

Love is in the air! We will have a Valentine's Day party for the whole school on Thursday, February 14 at 11:00 am!

Children who do not regularly attend that day are welcome to attend with a parent or caregiver--we would love for everyone to be able to participate! We will have games, activities, and our classic photo booth in the Fellowship Hall for a fun keepsake! We hope to see you there!

The classes will also be making Valentine Bags. Giving Valentines is NOT required, but is permitted for anyone who would like to give them. We just ask that you write who the Valentine is from, but leave the "to" space blank to make it easier for the teachers. The number of students in each class is listed below.

Sprouts: 11
Seedlings 1: 17
Seedlings 2: 9

Registration

We are SO excited to start our Registration process for summer and next year!! We hope that you have marked

your calendars for the kick off dates!

Here is a quick "re-cap" of the process!

1) Fill out your forms online ahead of time!

Currently enrolled families should be able to log in to myprocare.com and use the menu to re-register. For new families, they will need to follow the link available on our website! This takes care of most of the paperwork for Summer Sessions as well as the 2019-2020 School year!

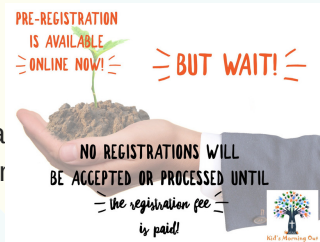

2) Pay your registration fees or deposits!

Completing the forms online does **NOT** hold your space at KMO.

We are so thankful that our program has become so popular in such a short time that we need

to allocate spaces on a first come, first served basis! Registrations will be processed in the order that the fees are received. February 11th at 9:00am for Priority Registration, and February 18th at 9:00 am for Open Enrollment!

3) Wait for your confirmation from us! We will be contacting people within a week of their registration to provide class and day enrollments!

For Text Alerts for weather delays and closures.... Text your class code to 81010!

Sprouts: @KK879D

Seedlings 1: @H69D6C

Seedlings 2: @4KD246

Waitlist: @HAEDK8

This is awfully exciting for us! We are in the process of switching to a new data management system called ProCare! This allows for online registrations, easier online billing and payments, the ability to update contact information, etc. all online. You can log in to MyProcure.com with your e-mail address at any time! On our end, it makes processing new registrations and accessing student information MUCH easier, and we are thrilled to get this in place! Please bare with us while we figure out the new system--there will certainly be a learning curve! This means you will also see a change in our billing process! Beginning in March, we anticipate that we will be switched over. **You will see invoices come from Tuition Express instead of Quickbooks!**

If you have any questions about this software or the transition process, please don't hesitate to ask!
