FROM THE DIRECTOR'S DESK

Can you believe we are already entering Spring? We are ready for warmer weather, but this school year seems to be flying by! We spent a lot of February talking about love! We learned about how Jesus loves each one of us, and we learned about how we can love others! The Valentine's day party was a huge success (Thanks, Beth!), and I loved getting to see so many families there. The children made cards for the elderly members of our Respite program, and their faces just lit up when they received them on Valentine's Day! This was such a fun way to show that we care.

In March, we will be talking about how Jesus called his disciples to follow Him (and how we follow Him today!), and learning about the Lord's Prayer. You'll also notice that Spring has sprung in our classrooms! Take a peek at our latest artwork on display!

With Spring also comes Registration season here! This has been SO excited, and we are overwhelmed and honored by the number of families we are welcoming! We owe a lot of that to our current families, who have graciously talked with their friends and family about our program. THANK YOU for your recommendations!

I am also reminded that this month marks a landmark for my personal adventure with KMO. I interviewed for the Director position one year ago this month--on my due date with my son, no less! It seems as though Kid's Morning Out was always a place I was meant to be... but truly, this is such a new part of my story. Thank you for being a part of it! I say it every month, but I am truly grateful beyond measure to serve in this role. I really DO have the best job ever!!

See you soon!
Laura Pittman

UPCOMING EVENTS

Wednesday, March 20 5:30-7:00pm

POLOs Discussion Group

Let's Chat! Parents Of Little Ones (POLOs) is hosting a group discussion for parents this month. We will be chatting about potty training (tips for success, hearing from other parents, and sharing what worked for you!) and introducing a new sibling! These are two areas that can be really challenging for families, and we want to help. This is open to ANY parent or caregiver in the community!

April 1-5

CLOSED
FOR
SPRING BREAK

Wednesday, April 17

Save the Date!
Easter Party and Spring Photo Fundraiser! We will also be excited to invite all incoming families to this, as well!

The state of Virginia requires us to keep updated health records for each child that attends our program. We are

required to get an updated shot record every 6 months. To make it a little easier on our end, we collect shot records all at one time in September and March. This helps us make sure we are always up to date! If you are enrolled for summer, this will cover you until Fall semester. If you are not, we will still need an updated shot record for your child to continue attending KMO through this Spring Semester. ***We do not need the whole health form again, just the updated shot record!*** You can have your doctor print it for you to bring in, or send it straight to us via fax (757-229-1223, Attn: Laura Pittman) or e-mail (lpittman@williamsburgumc.org). Whatever you prefer!! We would like to have these done as soon as possible, so the earlier the better.

THANK YOU for your partnership in making sure our program runs efficiently. We pride ourselves on following all of the state guidelines to ensure the highest level of care for your littles, and we could not do that without help from our amazing families. We appreciate you!!

Valentine's Day
2019

Thank you to everyone that attended our Valentine's Day party! We had about 70 friends, family members, and Kiddos there and we thoroughly enjoyed it! Special thanks to Beth C. for putting together this great event!! Missed it? Make sure to keep an eye out for our Easter party in April!! I promise, you'll want to be there!!

WE ARE HIRING!

**TEACHERS
LEAD & ASSISTANT**

SUMMER SESSIONS

2019-2020 SCHOOL YEAR

KIDSMORNINGOUT.ORG

Help us spread the word! We are hiring!! We have seasonal summer positions and regular school year positions available!

I'm Registered!!

Now what?

We could not have been any happier with how our Registration has gone! We are so excited that so many families are joining us here at KMO! We have sent more than 57 acceptance letters already!! Registration will remain open until all spaces are filled--so if you haven't registered yet, check availability and jump in! :)

For those that have completed registration, we will be reaching out to set up paperwork appointments. These will be in May (for summer sessions) and August (for fall) this year! They last about 15 minutes, and are child friendly. We will make sure all documentation is on file, that you have a chance to review the parent handbook, and ask any and all questions! Stay tuned for more info!

Our new software system is up and running! Currently enrolled families can log into MyProcare.com at any time to review their account information, make a payment, or update your contact information! As with any new system, there is a bit of a learning curve, so we

welcome and appreciate your feedback through this process!
