## FROM THE DIRECTOR'S DESK

**Happy Fall, Y'all!** The weather is starting to cool off, school is in full swing, and we are starting to see pumpkin everything. It is officially Fall!! Here at KMO, we got off to a "hurricane" of a start. Nothing like the first week of school for crazy weather and even crazier school closings, right? :) We appreciate your patience and understanding as we navigated through our closing and communication procedures. While it certainly wasn't the way we had envisioned the first week, we have had a GREAT first month, and each week gets better and better. Parents may notice drop off getting easier, time going by faster, and your children telling you more about their day!

The first three weeks of school, we focused on getting to know our classrooms, and we learned about Creation. Over the coming weeks, we will be learning about Adam and Eve, and then the story of Noah. As we make our way through the Bible, our students will learn songs, make art projects, and participate in story telling. Our goal is for each of these children to walk away knowing three main ideas: **God made me, God loves me, and God has a plan for me.** We hope that these key messages stick with them as the building blocks for a lifetime love of the Lord.

We hope that your children are enjoying their days at Kid's Morning Out as much as we are. Our mornings have been filled with fun, lots of hugs, and new experiences every day. We have been blessed with amazing staff, incredibly sweet kiddos, and truly wonderful families. I am grateful for the opportunity to work with each of you and serve as your Director.

See you soon!

Sign me up!!** :) The next Messy Church is Tuesday, October 9th from 5:30-7:30pm. No age limits, and all are welcome!! We would love to see you there!

STARTING OCTOBER 1ST...

ONLINE  
PAYMENTS  
are  
HERE!

When invoices go out, there will now be an option to pay online! You will have a choice to do an ACH transfer or a credit/debit card transaction. IF you select a debit/credit transaction... we are charged a fee. ☹️ If every invoice was paid with a card, it would cost us over \$200 per month in fees. Yikes!! We are working REALLY hard to keep tuition and registration costs down and keep our program as affordable as possible for our families. So this is where you come in!! An ACH transfer is FREE. 😊 It still has the convenience of paying online, but doesn't cost us a thing and helps us keep your costs low. In conclusion... we hope that this makes your life a little bit easier. We are excited to offer this new option for payments!! Please give us any feedback—this is a new system, and I'm sure there will be kinks to work out.
